

Interested in woodlands?

...then join Muskingum River Woodland Interest Group!

MRWIG is a non-profit, natural resource organization which provides educational events concerning the forests and related natural resources of the Muskingum River Watershed. Our members include private woodland owners, tree farmers, professional resource managers, and other environmentally conscious individuals.

MRWIG meets at 6pm the second Tuesday of the month, every other month, beginning in January. Meetings feature interesting programs and knowledgeable speakers.

Topics include forestry, wildlife, timber stand improvement, invasive species, tree planting, BMPs, non-timber forest products, and much more!

To join, just fill out the application below. For more information, visit www.mrwig.org
